

ABOUT VITRUV

VITRUV is an **extraordinary project with outstanding musicians.**

It doesn't matter if they appear plugged or unplugged, every concert is an unique musical happening.

Energetic, powerful live-performances and a large variety of style and sound make the band an antithesis to the short-lived over-commercialized one way music-business of today.

Their songs - touchy, catchy, harmonic, poetic so as powerful and dynamic - prove their musical skills.

VITRUV – we live our acoustic visions!
